

2010 SDAFP Winter Seminar

February 4-6, 2010 The Lodge at Deadwood

Application for CME credit has been filed with the American Academy of Family Physicians.
Determination of credit is pending. (a minimum of 20 credits will be available)

The SDAFP Board of Directors invites you to the 2010 SDAFP Winter Seminar!

There will be a lot of changes at this years conference including a change of venue! The Lodge at Deadwood will be the location for this years event! The Lodge at Deadwood is a brand new facility opening in November of 2009. Not only will the facility accommodate all of our activities it will have an indoor waterpark for the kids and an in house casino for the adults.

We will be moving closer to the mountain for those of you who are ski enthusiasts!! We will be right in the middle of a winter playground for the snowmobilers and cross country skiers or whatever your winter sport of choice!

The CME at this year event is second to none. We will be having two workshops on Thursday afternoon- one will be a casting workshop the other will be joint injections. If you are bringing your kids please let them know that they will be able to be "models" for the casting workshop even if you don't attend. Following the workshop we will have a cast signing party for the kids!

We will have a lot of activity for your family this year. Thursday morning we will host a pool party at the brand new indoor waterpark. Thursday evening we will have a social for the adults and kids as well!! On Friday after you have finished skiing and "Lunch at the Lodge" bring your spouse to the late afternoon lecture ASSET PROTECTION! Following that lecture will be the President's Reception with entertainment from Gordy Pratt - That One Guy!

We have lots of surprises in store for you and your family including a Friday evening DANCE for the family--so gather em up and bring em along to Historical Deadwood, SD--You'll be glad you did! Dr. Mikel Holland SDAFP President
